REVIEW REPORT TO THE BOARD OF DIRECTORS OF BAHRAIN ISLAMIC BANK B.S.C.

Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Bahrain Islamic Bank B.S.C. ("the Bank") and its subsidiary ("the Group") as at 30 June 2007, comprising of the interim consolidated balance sheet as at 30 June 2007 and the related interim consolidated statements of income, cash flows, changes in equity, sources and uses of good faith qard fund and sources and uses of zakah and charity fund for the six month period then ended and explanatory notes. The Board of Directors is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with the accounting policies disclosed in note 2. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with the accounting policies disclosed in note 2.
